

PICCOLO CORO LA GOCCIA

OK

Parole e musica: Katy Perry

**Hey, it's gonna be okay
I'm always gonna be around
No matter if you're up or down
Hey, what did I say?
I'm never gonna let you drown
No matter if you're up or down**

Are we gonna make it?
Are we gonna fake it?
Don't always wanna face it
So we just get wasted
Let's make a toast to
Everything we've been through
'Cause I don't always like you
But I'm always gonna love you

Blood, sweat, tears
Have we had enough?
Take my hand
We're not giving up

**And everybody say,
"Hey, it's gonna be okay"
I'm always gonna be around
No matter if you're up or down
Hey, what did I say?
I'm never gonna let you drown
No matter if you're up or down**

I can be a psycho
But you can throw a low blow
We gotta let to let go
We'll try again tomorrow
So cheers to the broken
And here's to the hopin'
If we just keep goin'
The road is gonna open

Blood, sweat, tears
Have we had enough?
Take my hand
We're not giving up

**And everybody say,
"Hey, it's gonna be okay"
I'm always gonna be around
No matter if you're up or down, yeah
Hey, what did I say?
I'm never gonna let you drown
No matter if you're up or down**

(instrumental)

I'm never gonna let you drown
No matter if you're up or down
